An Invitation to Lakemba Community Gardeners and
Volunteers with Garden Care to attend a Permaculture
workshop and bus trip.

Permaculture Workshop

Join us on a visit to the Permaculture Garden of Michele Margolis. A workshop will be presented at the garden on

- What is Permaculture?
- Permaculture ethics and principles.
- Garden design.
- Edible plants.
- A place for animals in a permaculture garden.

Michele Margolis has an award winning edible garden in Enmore and has been living and teaching in the inner west for 28 years. A wonderful opportunity to see a working edible garden full of bio diversity.

Tuesday 22nd May 2012

Meet at Canterbury City Community Centre for departure at **9.30am**. We will visit the garden of Michele Margolis at Enmore and will return to the Centre by **2.30 pm**.
