Writing successful tenders and funding submissions is critical to the future of most not-for-profit organisations. This training will assist you to develop professional tenders/submissions to improve your chances of success. Using a combination of examples, discussion and practical exercises, this course will assist you to:

- Think strategically about what funds to apply for
- Understand what the funding body is looking for
- Build the evidence needed to support the tender/submission
- Express the tender/submission in a professional and compelling way
- Develop a realistic budget

Bookings Essential 9750-9344 or starstraining@4cs.org.au

**STARS provides training for HACC services in the local government areas of
Canterbury, Marrickville and Leichhardt**

STARS is an activity of Canterbury City Community Centre.
