Officers' Report

30 June 2022

Your Board members present the financial report of the Canterbury City Community Centre Incorporated ("the association") for the financial year ended 30 June 2022.

Board Members

The names of Board members throughout the year and at the date of this report are:

Rachael Gavarotto (President, Appointed 24th November 2021)
Jubaida Hossain (Secretary)
Rhiannon Cook (Director)
Annette Bird (Director)
Max Dixon (Director)
Michael Stoddart (Director)
Esta Paschalidis-Chilas (CEO)
Steven Hoy (Treasurer, Resigned 24th November 2021)
Usman Saadat (Treasurer, Appointed 24th November 2021)

Meetings of Board Members

During the year, five board meetings and the AGM were held. Attendances by each board member during the year were as follows:

Name	Number eligible to attend	Number attended
Rachael Gavarotto	6	5
Jubaida Hossain	6	4
Rhiannon Cook	5	6
Annette Bird	6	4
Max Dixon	3	-
Michael Stoddart	3	2
Esta Paschalidis-Chilas	6	6
Steven Hoy	3	-
Usman Saadat	4	4

Principal Activities and Performance

The principal activities of the association during the financial year were to provide community services to people in the Canterbury Bankstown and surrounding local government areas.

There were no significant changes in the nature of the activities of the association during the year.

The profit from ordinary activities for the year amounted to \$488,203 (2021: \$386,161).

Notes to the Financial Statements

For the Year Ended 30 June 2022

General Information and Statement of Compliance

The financial report has been prepared as a Tier 2 general purpose financial report which has been prepared in accordance with Australian Accounting Standards – Simplified Disclosure adopted by the Australian Accounting Standards Board, the Australian Charities and Not-for-profits Commission Act 2012 and the Associations Incorporation Act 2009 (NSW). In the opinion of the officers, the association is not publicly accountable.

The financial report is for the entity Canterbury City Community Centre Incorporated as an individual entity. Canterbury City Community Centre Incorporated is an association incorporated in New South Wales under the Associations Incorporation Act 2009 (NSW).

Canterbury City Community Centre Incorporated is primarily involved in providing community services to people in the Canterbury and surrounding local government areas.

The following is a summary of the material accounting policies adopted by the association in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

Reporting Basis and Conventions

This financial report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied.

Adoption of New and Revised Accounting Standards

In the current year, the association has adopted all of the new and revised Standards and interpretations issued by the Australian Accounting Standards Board (the AASB) that are relevant to its operations and effective for the current annual reporting period. There has been no material impact of these changes on the association's accounting policies.

AASB 16 Leases

The association is in discussion with the amalgamated Canterbury Bankstown Council to assess what, if any, is the lease payments required for the various properties that the association utilises.

As these discussions are on-going, with no certainty of a reliable estimate of any future costs, the association is not able to assess the impact of adopting this standard.

Canterbury City Community Centre Incorporated

ABN 23 371 328 833

Notes to the Financial Statements

For the Year Ended 30 June 2022

1 Accounting Policies

(a) Revenue Recognition

Government grants are not recognised until there is reasonable assurance that the association will comply with the conditions attaching to them and that the grants will be received.

Government grants are recognised in profit or loss on a systematic basis over the periods in which the association recognises as expenses the related costs for which the grants are intended to compensate. Specifically, government grants whose primary condition is that the association should purchase, construct or otherwise acquire non-current assets are recognised as deferred revenue in the consolidated statement of financial position and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the association with no future related costs are recognised in profit or loss in the period in which they become receivable. Donations are recognised and brought to account on a cash basis when received.

There are no unfulfilled conditions or other contingencies attaching to the government grants that have been recognised as income.

Revenue from the rendering of a service is recognised upon the delivery of the service to customers.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

All revenue is stated net of the amount of goods and services tax (GST).

Canterbury City Community Centre Incorporated

ABN 23 371 328 833

Notes to the Financial Statements

For the Year Ended 30 June 2022

1 Accounting Policies (Cont.)

(b) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Receivables and payables are stated inclusive of GST. The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the statement of financial position.

Cash flows are included in the statement of cash flows on a gross basis. The GST component of cash flows arising from investing and financing activities, which is receivable from, or payable to, the ATO are classified as operating cash flows.

(c) Employee Benefits

Provision is made for the association's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year, together with benefits arising from wages and salaries, annual leave and sick leave, which will be settled after one year, have been measured at the amounts expected to be paid when the liability is settled plus related on-costs. Other employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions are made by the association to employee superannuation funds and are charged as expenses when incurred.

(d) Income Tax

The association has been classified as a tax-exempt charitable institution under section 50-5 of the Income Tax Assessment Act 1997.

Canterbury City Community Centre Incorporated

ABN 23 371 328 833

Notes to the Financial Statements

For the Year Ended 30 June 2022

1 Accounting Policies (Cont.)

(e) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of twelve months or less.

(f) Plant and Equipment

Plant and Equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on a straight line basis. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

The following depreciation rates are used in the calculation of depreciation:

- Motor vehicles 20 - 22.5%
- Office equipment, furniture and fixtures 10 - 40%

An item of plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

(g) Impairment

At the end of each reporting period, the association reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the association estimates the recoverable amount of the cash-generating unit to which the asset belongs.

When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which reasonable and consistent allocation basis can be identified.

Canterbury City Community Centre Incorporated

ABN 23 371 328 833

Notes to the Financial Statements

For the Year Ended 30 June 2022

1 Accounting Policies (Cont.)

(g) Impairment (Cont.)

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (of cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

When an impairment loss subsequently reverses, the carrying amount of the asset (of cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that could have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years.

A reversal of an impairment loss is recognized immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

(h) Provisions

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

(i) Financial Instruments

Financial Assets

Financial assets are recognised initially on the date at which the association becomes a party to the contractual provisions of the instrument.

The association derecognises the financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets that is created or retained by the association is recognised as a separate asset or liability.

Canterbury City Community Centre Incorporated

ABN 23 371 328 833

Notes to the Financial Statements

For the Year Ended 30 June 2022

1 Accounting Policies (Cont.)

(i) Financial Instruments (Cont.)

Financial Assets (Cont.)

Financial assets and liabilities are offset and the net amount presented in the statement of financial position when and only when, the association has a legal right to offset the amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

The association has the following financial assets: loans and receivables, cash and cash equivalents and held to maturity investments.

Loans and receivables are financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are recognised initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition loans and receivables are measured at amortised cost using effective interest method, less any impairment losses.

Cash and cash equivalents comprise cash balances and call deposits with original maturities of twelve months or less.

Held to maturity investments are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the association's intention to hold these investments to maturity. They are subsequently measured at amortised cost using the effective interest rate method.

Financial Liabilities

Financial liabilities are recognised initially on the date, which is the date that the association becomes a party to the contractual provisions of the instrument.

The association derecognises a financial liability when its contractual obligations are discharged or cancelled or expired.

Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the association has a legal right to offset the amounts and intends either settle on a net basis to realise the asset and settle the liability simultaneously.

The association classified financial liabilities into the other financial liabilities category. Such financial liabilities are recognised initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest rate method.

Other financial liabilities comprise trade and other payables.

Canterbury City Community Centre Incorporated

ABN 23 371 328 833

Notes to the Financial Statements

For the Year Ended 30 June 2022

1 Accounting Policies (Cont.)

(j) Use of Estimated and Judgements

The preparation of financial statements in conformity with the Australian Accounting Standards requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected.

There are no judgements made by management in the application of the Australian Accounting Standard that have a significant effect on the financial report or estimates with a significant risk of material adjustment in the next year.

(k) Comparative Figures

Comparative figures have been adjusted to conform to changes in presentation for the current financial year where required by accounting standards or as a result of changes in accounting policy.

13 Capital and Leasing Commitments

The association does not have any capital or leasing commitments.

14 Contingent Liabilities

There are no contingent liabilities.

15 Events after the Reporting Period

There are no matters or circumstances have arisen since the end of the financial year which significantly affected, or may significantly affect the operations of the association, the results of those operations, or the state of affairs of the association in future financial years.

16 Related Parties

There were no related party transactions during the year.

No officer has entered into a material contract with the association since the end of the previous financial year and there were no material contracts involving officers' interests existing at year end.

17 Economic Dependence and Going Concern

The association is dependent on the ongoing receipt of grants to ensure the continuance of their services.

18 Financial Instruments

a) Financial Risk Management – Objectives and Policies

The association's financial instruments comprise cash and cash equivalents. In addition the association has various financial assets and liabilities including amounts receivable and amounts payable to trade and other creditors

The main risks arising from the association's financial instruments are interest rate risk, liquidity risk and credit risk. The association does not hold financial instruments denominated in foreign currencies and does not use derivative instruments to manage risks associated with its financial instruments.

The association's policies for managing each of these risks are summarized below. The policies are subject to approval by the Board and are reviewed regularly.

Canterbury City Community Centre Incorporated

ABN 23 371 328 833

Notes to the Financial Statements

For the Year Ended 30 June 2022

18 Financial Instruments (Cont.)

a) Financial Risk Management – Objectives and Policies (Cont.)

Interest Rate Risk. The association's is exposed to interest rate fluctuations on its cash at bank and cash on deposit investments. The association actively monitors interest rates for cash at bank and on deposit to maximize interest income. The association accepts the risk in relation to fixed interest securities as they are held to generate income on surplus funds.

Liquidity Risk. The association manages liquidity risk by monitoring forecast cash flows and ensuring that adequate liquid funds are maintained.

Credit Risk. The association is exposed to credit risk in respect of amounts receivable and in respect of funds deposited with banks and other financial institutions. The maximum exposure to credit risk is the carrying amount of financial assets recognised in the balance sheet. The association holds no collateral as security and the credit quality of all financial assets that are neither past due nor impaired is consistently monitored in order to identify any potential adverse changes in the credit quality.

The amounts receivable outstanding beyond the relevant terms are followed up continually.

Funds deposited with banks and other financial institutions are approved by the Board.

At the reporting date the association does not have any material credit risk exposures to any single receivable or any bank or financial institution.

b) Fair Values

Carrying amounts of financial assets and liabilities recorded in the financial statements represent their net fair values, as determined in accordance with the accounting policies disclosed in Note 1.

c) Interest Rate Risk

The association's exposure to interest rate risk, which is the risk that a financial instruments value will fluctuate as a result of changes in market interest rates and the effective weighted average interest rates on those financial assets and financial liabilities.

Information and Declarations to be Furnished Under the Charitable Fundraising Act, 1991

Income and Expenditure of Fundraising Appeals for the Year Ended 30 June 2022

The association conducted no fundraising appeals during the financial year and the comparative year.

Declaration by the President in respect of fundraising appeals

I, Rachael Gavarotto, President of Canterbury City Community Centre Incorporated declare that, in my opinion:

- a) The income statement gives a true and fair view of all income and expenditure of Canterbury City Community Centre Incorporated with respect to fundraising appeals; and
- b) The balance sheet gives a true and fair view of the state of affairs with respect to fundraising appeals; and
- c) The provision of the Charitable Fundraising Act 1991 and the regulations under that Act and the conditions attached to the authority have been complied with; and
- d) The internal controls exercised by Canterbury City Community Centre Incorporated are appropriate and effective in accounting for all income received and applied by the association from any of its fundraising appeals.

Rachael Gavarotto
President

Dated this 25th day of October 2022.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
CANTERBURY CITY COMMUNITY CENTRE INCORPORATED**

Report on the Audit of the Financial Report

Opinion

We have audited the accompanying financial report of Canterbury City Community Centre Incorporated (the association), which comprises the statement of financial position as at 30 June 2022, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and the Officers' Assertion Statement.

In our opinion, the financial report of the association is in accordance with the *Australian Charities and Not-for-profits Commission Act 2012* and the *Associations Incorporation Act 2009 (NSW)*, including:

(i) giving a true and fair view of the association's financial position as at 30 June 2022 and of its performance for the year ended on that date; and

(ii) complying with Australian Accounting Standards – Simplified Disclosures (including Australian Accounting Interpretations) and the *Australian Charities and Not-for-profits Commission Act 2012*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the association in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of the Officers for the Financial Report

The Officers of the association are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Simplified Disclosures and the Australian Charities and Not-for-profits Commission Act 2012 and for such internal controls as the Officers determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Officers are responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Officers either intend to liquidate the association or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <http://www.auasb.gov.au/Home.aspx>. and https://www.auasb.gov.au/auditors_responsibilities/ar4.pdf. This description forms part of our auditor's report.

Other Matters

We also report that:

1. the financial statements show a true and fair view of the financial result of fundraising appeals conducted during the year and;
2. the accounting and associated records have been properly kept during the year in accordance with the Charitable Fundraising Act 1991 and the Regulations and;
3. money received as a result of fundraising appeals conducted during the year has been properly accounted for and applied in accordance with the Charitable Fundraising Act 1991 and the Regulations and;
4. at the date of this report, there are reasonable grounds to believe that the association will be able to pay its debts as and when they fall due.
