DIVERSITY IN COMMUNITY AGED CARE: FORUM

Staff, volunteers, managers and coordinators supporting clients utilising community based aged care services in the Inner West 7 LGA's. The Forum aims to bring diversity center stage to assist service providers to be sensitive to individual needs, issues and barriers to accessing community based aged care services.

The one-day program is full of bite sized, need to know information to bring to life resources which will help you to focus on improving your practice, making sure people accessing services feel welcomed, comfortable, respected and sure of a quality, individualised service.
