

INTRODUCTION TO

Community Services

A course to introduce you to work in community services and build your confidence for further study.

Do you want a job helping people meet their needs?

You will learn about entry-level community service work. You will study five units from the Certificate II in Community Services (CHC22015), with a focus on developing skills you need to communicate, organise your work, and respond to workplace problems in a community services position.

You can go on to complete a Certificate II or higher level study in more specialised fields like Individual Support and Early Childhood Education and Care.

NOTE: If you took a previous Community Services short course with Sydney Community College, you can take this new course and complete your Certificate II in Community Services.
