

# SEWING CORNER

Get together with other women who share your passion.

Sewing Corner is open to all sewing enthusiasts to meet, share ideas and create your own projects. Whether you are looking for a place to hone your sewing skills, work with others on sewing projects or simply want to do some alterations. We will provide sewing machines with the accessories (scissors, needles, measuring tape etc). You will need to bring your own fabric or garment to work on.

You **must** know how to use a sewing machine - all skill levels welcome.
